I authorize my treating health professional to collect, use and disclose to my insurer or to a health professional, social worker, or vocational rehabilitation expert properly appointed by my insurer to conduct an examination, only such information relating to my health condition and treatment received as a result of the automobile accident and any pre-existing or subsequently occurring health conditions that may be a barrier to my recovery as a result of the automobile accident, as is reasonably required for the purpose of providing treatment and determining my eligibility for benefits. This authorization is valid until my claim for Statutory Accident Benefits has been concluded or until I withdraw this consent. (Please note withdrawal of this consent may impact your benefit entitlement).

This authorization does not apply to a consultation between my health care provider and the insurer's health professional conducting an examination (referred to in sections 24(1) 9 and 24.1(1) 2 of the Statutory Accident Benefits Schedule – On or After November 1, 1996). Separate express consent is required for this consultation. This consent should be in writing.
