## **ECHELON NEWS FLASH**

### **COMMERCIAL AUTO UPDATE!**

Our Commercial auto rates for classes 35 and 36 are now available on  Compu-Quote  at no extra cost to you!

Still looking for a market to write that risk that has a snow plow?  
Look no further, stand alone risks welcome!

We can write up to 1 ton trucks with plowing equipment including sanding and salting equipment.

Got other commercial vehicles looking for a home? Echelon can help, we also write other classes of commercial automobile subject to a maximum vehicle weight of 4500kgs. Call us to see if the risk qualifies if other than classes 35 and 36.
